NEWSLETTER FOR THE TENANTS OF NORTHWEST PARK, BURLINGTON, MA WINTER 2005

From Your Property Managers Desk:

Thanks to all of our tenants for your cooperation, understanding and feedback during the recent snow-storms!

As we continue through this winter season, we would like to remind all tenants that it is essential to keep your parking lots clear (company vehicles, pallets, excess equipment, etc.) so we can ensure a proper snow removal process.

Also, please contact our office (781)272-4000 if there is a special need to leave a car parked overnight or for a weekend.

Second Avenue Utility Project Underway

Norblom began work on this extensive utility project in 2000.

Verizon has begun work on the final phase of our project to place the utility wires underground and remove the poles along Second Avenue.

The Northwest Park management team first embarked on this project in 2000. The undergrounding of the electric service portion of the project was completed in 2002.

Since then, we have been working with Verizon to the complete its part of the project. This includes pulling the new telephone cables through the existing underground conduits, switching over the building services along Second Avenue, removing the old cable and finally removing the utility poles. According to Verizon, the project should be complete this summer.
