Welcome New Tenants!

Keystone Dental, Inc. is an oral healthcare medical device company headquartered in Boston, Massachusetts. Founded in March 2006, Keystone is focused on developing and marketing a comprehensive range of dental products and services for the tooth replacement market.

"Our mission is to provide innovative, safe, efficacious, and cost-effective solutions for tooth replacement therapy, with patient care as our first and ultimate responsibility. Keystone aspires to build a market leading, global brand recognized within the dental community for its integrity, trust, and commitment to improving the standard of care for patients and their quality of life."

144 Middlesex Turnpike,
home to Keystone Dental,
Inc.

164 Middlesex Turnpike,
home to Vesta Consumer
Credit Services

Vesta Consumer Credit Services is headquartered in Portland, Oregon, and has been an innovator and worldwide leader in virtual commerce since 1995. Vesta's roots are in the prepaid telecom industry in North America, where they defined and established market leadership for virtual recharge for wireless and long distance customers. Vesta has branched out to both China and Europe since 2004 and is continually exploring innovative opportunities to accelerate the global growth of virtual commerce.

Vesta has achieved extraordinary growth in the US, and has received numerous awards and recognitions, including recent induction into the Inc. Hall of Fame for five consecutive years as an Inc. 500 fastest growing company.

Pipeline Wireless

Another Internet provider is now available for your company. Pipeline Wireless specializes in fast, reliable and affordable high-speed access. Through bypassing the local telephone company, Pipeline Wireless offers a new approach to the Internet.

For more information, please contact Neil Senfleben at (978) 373-8338 or e-mail nsenfleben@pipeline-wireless.com.

Cell Phone Drive

Nordblom Company recently sponsored a cell phone drive in Northwest Park, and with great success! Minuteman Senior Services has provided care for over 2 decades and has been a Northwest Park tenant since 1988. Nearly 200 cell phones were collected between June 4-8 in boxes located in each building. The collected phones will be recycled by Shelter Alliance in Florida and used by domestic violence victims or, if too old, for parts. Shelter Alliance will send Minuteman a variable bounty based on the age and utility of each phone. The income will aid Minuteman's Elder at Risk program. Nordblom Company thanks you and your employees for supporting Minuteman's provision of elderly services to the local community!

Northwest Park Welcomes Kevin Brooks

Join us in welcoming Kevin Brooks to the Maintenance Team of Northwest Park! Kevin came on board in March and is responsible for the maintenance of the buildings and grounds within Northwest Park and for overseeing subcontractors and vendors that come on site.

Kevin is employed by Northeast Building Services, which is based in Burlington.

For all maintenance needs please contact the Management Office at 781-272-4000, as this will allow us to track and provide the service you need.

Go Green! Environment-Friendly Tips for Summer

Recycling 1 ton of paper
saves 17 trees
& 7,000 gallons of water

Save That Stuff!

Save That Stuff is a leading waste management company that helps over one thousand New England businesses and institutions safely and efficiently get rid of paper recyclables and other recoverable scrap materials otherwise destined for the dumpster. Nordblom Company has been using this program for the last few months and has been very pleased with the amount of paper being recycled through the program.

Call Save That Stuff today at (617) 241-9998 for a free audit of your existing waste removal and recycling system.

Water . Keep it on tap for the future.

The Burlington Board of Selectmen is working hard to ensure a lasting supply of clean, fresh water. They are finding and repairing leaks in the system and upgrading aging pipes.

The challenges of the future are even more complex and will require the support and cooperation of all households, businesses, industries and institutions.

Together, we can save thousands of gallons of water each day. Saving water will also help control your water and sewer bills. Please do your part to conserve. **YOU** can make a difference.

Take a New Lease on Conservation

You can save a few gallons in the kitchen, and many more in the bathroom by following these simple steps:

- Fill your sink or basin when washing and rinsing dishes. **Save 8-15 gallons per day.**
- Run your dishwasher only when full. **Save up to 15 gallons per load.**
- Never use your toilet as a wastebasket. **Save 3-7 gallons per flush.**
- Check faucets for leaks—call for maintenance immediately

Occupancy Sensor Wall Switch

Never leave the lights on by accident. An attractive motion-sensing switches are available at an affordable price. Lights will turn on when someone enters the room, and will turn off when no motion is detected for a set period of time (15-seconds to 15-minutes, user-adjustable).

Nordblom Company has installed these energy-saving sensors in all of their offices and conference rooms. For more information, go to www.dimmers.net or call Northeast Electric at (781) 270-4899.

You can refill an 8-oz. glass of water

15,000 times

for the same cost as a 6-pack of soda

Take a Walk in the Park!

Take advantage of the some of the great walking and jogging paths within Northwest Park to get some exercise and sunshine while at work. David's World Famous Café, located at 164 Middlesex Turnpike, has great outdoor patio seating for spring and summer lunch breaks.
